

# *Arch Mortgage Corporation*

---

Dear Borrower,

It is important to have insurance bound and paid for at least 10 days prior to closing. Closing documents can not be ordered or printed until you have insurance bound. Some loans may have to go back into underwriting if insurance premiums differ from estimates used. Also should a “named” tropical depression, storm or hurricane form, insurance companies will not bind any new policies which would hold up your closing.

Below you will find a list of insurance companies clients have used in the past and have been pleased with. Please, feel free to use this list to assist you in obtaining homeowners insurance required to close. You are not obligated to use anyone on this list, it was created only for your convenience.
